

EHS Support and Advocacy for the Communications Industry

September 2012

The EHSOP evaluated our EHSICC 2012 conference program for allowable points for CIH, CSP, and CHMM continuing certification points.

Our determination is that if you participated in ALL sessions, you should receive the following points:

CIH

17.75 certification contact hours
American Board of Industrial Hygiene
www.abih.org

CSP

1.5 recertification points
Board of Certified Safety Professionals
www.bcsp.org

CHMM

15 certification maintenance points (CMP)
Institute of Hazardous Materials Management
www.ihmm.org

We encourage each participant to evaluate their allowable points based on their attendance at the various sessions of this conference.

Thank you.

A handwritten signature in black ink that reads "Grif Bond". The signature is written in a cursive, slightly stylized font.

Grif Bond, Chair
